SUBJECT: Letter of Appreciation

TO : Major Lucien E. Conein

1. I wish to extend my thanks and appreciation for the valuable service you rendered this organization during the recent move from Karlsruhe to Frankfurt. Your responsibility for obtaining the support of the Engineers in the use of a crane and arranging with the 64th Transportation Company for the use of their trucks were major factors in the efficient manner in which the move was accomplished.

2. Your attention to duty in seeing that the move of the rear echelon of the Headquarters was completed and checked out of the [redacted] was very instrumental in establishing good will and proving that our organization is capable of high standards in their dealings with the military authorities.

3. I further wish to thank you for the many extra hours of duty and the hard work performed by you in order that the organizational move could be executed in a secure and efficient manner.
